**PK** – Parking area – parking for 4x4 and conventional vehicles – **Green**  
**WF** – Waterfowl area – area set aside for authorized waterfowl hunters during waterfowl seasons – **Blue**  
**BW** – Bow area – area that is restricted to bow and crossbow hunting only – **Pink**

**PROPERTY COMMENTS:** Property is 60% wooded with a mix of hardwoods and softwoods with the remainder of the property in crop land (crops rotate between corn, hay and soybeans); access is good and parking is plentiful; conventional vehicles are adequate for basic access; 4x4 and ATVs are recommended for extended access; terrain is flat too gently rolling; Licking Run constitutes one of the property's boundaries; a tenant house (unoccupied) and various substantial support buildings are located at the front of the property; several ponds and small streams are present; the only allowable access point is from gate 1 located at the end of Clarks Rd. (Rt. 608); property is completely fenced; the only hunting and fishing allowed on the property are by members of ODS; hence, do not wear badges/patches that would identify you as a member of another hunting group and, if requested to do so, identify yourself solely as a member of ODS. Any mention of belonging to another hunting club (e.g., NSA) should be avoided; The sign-in board is located in the first farm building on the right; parking of vehicles is allowed in the areas designated on the map as PK

**RESTRICTIONS:**

No Hunting in the area encompassing the unoccupied tenant house and barns (safety zone)  
This property is available to ODS members year round.  
Leave all gates as you find them
